

Red Tent Gathering

Instructor: Pilar Martin

June 9 / 10 / 11 - 2023 Munich

Here comes an invitation from Pilar Martin to all students that have participated in one of her « Female Pelvis » workshops in previous years.

- **Hello everybody, I wish you are all well in this times of turmoil and intensity.**
- I invite you to come to Munich in June this year for a class and gathering.
- A time of nourishment, review, clarification, inspiration and renewal.
- I envision this class being guided by your questions, desires and collaboration.
- We will review central themes and techniques, and clarify accumulated questions.
- We will embody what we are learning through manipulations and experiential explorations.
- We will learn from each other's experiences.
- I'll offer you my latest discoveries.
- It will be very enriching to share this journey towards freedom and potentiality as practitioners and as human beings.
